**DECLARATION OF ALAN VASQUEZ OF  
GILARDI & CO., LLC IN SUPPORT OF  
FINAL APPROVAL OF SETTLEMENT**

---

Magistrate Judge Howard L. Lloyd  
Hearing Date: November 1, 2011  
Time: 10:00 a.m.  
Courtroom: 2

13  
14 I, ALAN VASQUEZ, declare as follows:

15 1. I am employed by Gilardi & Co., LLC ("Gilardi"), located at 3301 Kerner Blvd.,  
16 San Rafael, California. Gilardi was appointed as the Settlement Administrator in this matter. I  
17 am over 21 years of age and am not a party to this action. I have personal knowledge of the facts  
18 set forth herein and, if called as a witness, could and would testify competently thereto. I have  
19 worked with Class Counsel throughout this matter and I am familiar with all Gilardi's efforts in  
20 providing notice and handling the claims administration herein. I am filing this declaration as  
21 required by the Court's Preliminary Approval Order setting forth our compliance with the Order  
22 in providing notice to the Class.

23 2. Our office was provided a copy of the Preliminary Approval Order signed by the  
24 Court and also received copies of all the forms of Notices as approved by the Court therein. We  
25 followed that Order in providing the Notices, press release, and claims administration.

26 3. On or before July 25, 2011, Gilardi received Defendant's most current list of  
27 137,989 company names, addresses, and phone numbers for class members in this matter in  
28

1 electronic format. Gilardi formatted the list for mailing purposes, added a unique identifying  
2 number to each record, removed 8 duplicate records, and processed the names and addresses  
3 through the National Change of Address Database to update any addresses on file with the United  
4 States Postal Service ("USPS").

5 4. On or before July 29, 2011, on behalf of the Defendant, Gilardi caused the letter  
6 attached as Exhibit A to be sent to the 50 States' Attorney Generals and the office of the U.S.  
7 Attorney General via U.S. Postal Service Certified Mail as required by CAFA. In addition to the  
8 letter, a cd containing the documents listed on the letter in PDF format was included in the  
9 mailing to each Attorney General. To date, Gilardi has not received any objections from any of  
10 the 50 States' Attorney Generals or the U.S. Attorney General.

11 5. In addition, there were 29,735 records received with phone number only and no  
12 name and address for which we were told that the Defendant had no name or address in the  
13 collection process. A unique identifying number was added to each telephone number record for  
14 the purpose of processing claims from individuals who filed claims for those numbers without an  
15 address. For the purpose of mailing the summary notice postcard, the records were removed from  
16 the mailing data.

17 6. On or before August 3, 2011, Gilardi caused a Summary Notice Postcard to be  
18 printed and mailed to 108,246 names on the class list after removal of duplicate records and  
19 records with telephone number only. Gilardi delivered the Summary Notice Postcards to the  
20 United States Post Office located in San Rosa, California. A true and correct copy of the  
21 Summary Notice Postcard is attached hereto as Exhibit B.

22 7. On or about August 4, 2011, Gilardi issued a press release about the settlement as  
23 agreed upon by the parties. That press release was distributed through PR Newswire. As a result,  
24 approximately 200 media outlets picked up and published the release on their respective websites.  
25 A true and correct copy of that press release along with a list of media outlets is attached hereto as  
26 Exhibit C.

27 8. On August 15, 2011, a copy of the Publication Notice was published in the  
28

1 national edition of USA Today. A true and correct copy of that published notice is attached  
2 hereto as Exhibit D.

3 9. Since mailing the Notice Packets to the class members, Gilardi has received  
4 Summary Notice Postcards returned by the USPS with undeliverable addresses for 33,017 class  
5 members. Gilardi, through a third party locator service, performed address searches for these  
6 Summary Notice Postcards and was able to find updated addresses for 12,604 of the 33,017 that  
7 were returned undeliverable. Gilardi then re-mailed the summary postcard notice to the 12,604  
8 class members for whom an updated address was found.

9 10. On or before September 21, 2011, an Order extending the deadline for a certain  
10 limited group of persons to file claims was entered by the Court. That Order allowed any  
11 potential class member whose initial notice postcard was returned undeliverable, and to whom  
12 another notice was mailed, the deadline to file a claim, object or to opt out was extended to  
13 October 15, 2011. Notices re-mailed after the original September 16, 2011 filing deadline  
14 included the new filing deadline. There were 12,604 postcards mailed to those persons, and all of  
15 those persons had until the extended deadline of October 15, 2011 to make a claim, to opt out or  
16 to object to the settlement.

17 11. On or before August 4, 2011, Gilardi developed the case dedicated website,  
18 [www.allianttccpalawsuit.com](http://www.allianttccpalawsuit.com) and caused Court documents, case documents, important dates and  
19 deadlines, and frequently asked questions to be posted and available for review by the public.  
20 The website also included claims filing capability, allowing potential class members to file their  
21 respective claims online by providing their unique identifying number in conjunction with their  
22 telephone number.

23 12. On or before August 3, 2011, Gilardi established a toll free telephone number (1-  
24 **877-255-9840**) that class members could call to request that a Notice be mailed to them, or  
25 request to speak to a live operator to file a claim. English and Spanish speaking live operators are  
26 available Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. Pacific Time. To  
27 date, Gilardi has received 2,965 calls to the toll-free line with 994 individuals filing their claims  
28

1 through telephone support.

2 13. The claims filing postmark deadline was on October 15, 2011 for all persons to  
3 whom the original postcard was returned and another address was located. To date, Gilardi has  
4 received 1,981 timely claim forms (979 online, 994 through telephone support, and 8 through  
5 mail) and zero late claim forms due to the fact that the filing deadline passed only two days ago.  
6 The most recent report of the weekly claim statistics is attached as Exhibit C.

7 14. Based upon that number of claims, and based upon the settlement amount of  
8 \$1,000,000, and deducting what I have been told by Class Counsel has been requested of the  
9 Court for attorneys' fees and costs, expert witness costs and costs of notice and claims  
10 administration of \$387,373.14, that would leave \$612,626.86 for claims distribution. Based upon  
11 1,981 claims submitted to date, that would result in a payment of \$309.25 per claim filed. Of  
12 course, that amount may change, depending on other claims that might be submitted, and I will  
13 advise Class Counsel if any additional claims are submitted.

14 15. The opt-out filing postmark deadline was on September 26, 2011. To date, Gilardi  
15 has received one request to opt-out from an attorney representing the interests of the class  
16 member, John Zink Company. A copy of the opt-out request received is attached as Exhibit F.

17 16. The objection filing postmark deadline was on September 26, 2011. To date,  
18 Gilardi has received zero valid objections to the Settlement, although I understand those  
19 objections were to be filed with the Court and served only on Class Counsel and Defense  
20 Counsel. On July 25, 2011, Gilardi received a letter from the law offices of Herzlich & Blum LLP  
21 stating that they represent a lien claimant in the action seeking to enforce a lien on the Class  
22 Representative's amounts to be obtained from the settlement, and were copying Gilardi on an  
23 "Objection" to the proposed Settlement. However Gilardi could not find a record in the class data  
24 for the stated lien claimant, Cardservice International, Inc. Another copy of the letter from  
25 Herzlich & Blum LLP was received on August 4, 2011.

1 I declare under penalty of perjury that the foregoing is true and correct to the best of my  
2 knowledge and that this declaration was executed pursuant to the law of the United States this  
3 18<sup>th</sup> day of October, 2011 at San Rafael California

You received this card because Alliant Law Group, PC's ("Alliant") records indicate you were called by them on your cell phone allegedly in violation of the Telephone Consumer Protection Act ("TCPA") and as a result, you are entitled to a cash payment. Alliant made such calls as a debt collector. Your rights may be affected by a proposed class action Settlement of similar claims against Alliant. If the Court approves the Settlement in its Final Approval Hearing, the Settlement would resolve a lawsuit in which plaintiff alleges that Alliant called persons on their cell phones in violation of the TCPA by using an autodialer or by a prerecorded voice message, without the prior express consent of the person called. Plaintiff brought this suit on his own behalf and on behalf of all 137,981 persons Alliant called on their cell phones after June 25, 2006 in that manner without their prior express consent (the "Settlement Class"). Alliant denies the allegations. This is a summary; for the full terms of the settlement, go to [www.AlliantTCPAlawsuit.com](http://www.AlliantTCPAlawsuit.com).

To settle this lawsuit, Alliant has agreed to pay a maximum of \$1,000,000 (one million dollars) into a Common Fund. The amount remaining in the Common Fund after deducting all attorneys' fees and costs of litigation, an incentive award to Plaintiff, and all related costs of notice and claims administration and all other case-related expenses, is the Claims Fund. That Claims Fund will be distributed equally to all Settlement Class members that submit valid claims. Any person in the Settlement Class that submits a valid claim by **September 16, 2011** will receive a cash amount in settlement of the case. The amount paid to each person for their claim will depend on the total amount of claims submitted because the Claims Fund will be divided on a pro rata basis, with each person submitting a valid claim receiving an equal amount of the Claims Fund.

The Settlement will release all claims that the Settlement Class Members may have against Alliant for claims related to being called on their cell phones in violation of the TCPA in the period June 25, 2006 to June 22, 2011, if they are in the group of 137,981 Settlement Class Members, unless the individual excludes him/herself from the Settlement.

To receive a settlement payment under the Settlement, you must do any one of the following three options **no later than September 16, 2011**:

1. Call Gilardi & Co. LLC, the Claims Administrator at 1-877-255-9840, or
2. Submit a claim on the Claims Administrator's website [www.AlliantTCPAlawsuit.com](http://www.AlliantTCPAlawsuit.com); or
3. Mail a completed claim to the Alliant Settlement Claims Administrator, c/o Gilardi & Co. LLC, P.O. Box 808061, Petaluma, CA 94975-8061.

In each option, you must provide your name and current mailing address for mailing the payment. In case of conflicting identities that do not match our data, you may be required to provide other identifying information such as a prior address we have on record, the cell phone number called or other information the Claims Administrator may require. In the limited number of cases where the name of the owner of the cell phone called by Alliant is unknown, and your name is not on the list of cell phone owners but you believe you were called by Alliant since June 25, 2006, you will be required to provide your cell phone number that was called by Alliant in order to submit a claim.

**ANY IDENTIFYING INFORMATION PROVIDED TO THE CLAIMS ADMINISTRATOR WILL NOT BE PROVIDED TO THE DEBT COLLECTOR ALLIANT, AS PROVIDED IN THE COURT ORDER APPROVING THE SETTLEMENT AGREEMENT'S TERMS.**

You may obtain complete information about the Settlement (including a Long Form Notice about the Settlement) and information about deadlines, by visiting the Gilardi & Co. LLC website set forth above. They will send you a Long Form Notice if you call them at their above number or write to them at the above address.

**IF YOU DO NOT WISH TO BE PART OF, OR IF YOU WISH TO OBJECT TO, THIS SETTLEMENT**, you may exclude yourself or file an objection with the Court by no later than September 26, 2011. Please read the Long Form Notice for complete instructions on objecting to or excluding yourself from the Settlement.

The Court, located at 280 South 1st Street, San Jose, CA 95113, will conduct a hearing on whether to approve the Settlement, and if so, will determine what fees and expenses should be awarded to class counsel, and whether a \$5,000 incentive payment should be paid to the plaintiff. The attorneys are seeking to be paid from the Common Fund attorney fees not to exceed \$250,000 and litigation expenses of no more than \$30,000 and the expenses for notice and claims administration in an amount not expected to exceed \$150,000. The hearing is presently scheduled for November 1, 2011, but may be changed. Any Settlement Class Member may enter an appearance with the Court through an attorney. If you have already submitted a claim or excluded yourself from the Settlement, you need not take any further action.

**HEADLINE: The Law Offices of Douglas J. Campion Announces Preliminary Approval of Class Action Lawsuit**

The following statement has been issued by The Law Offices of Douglas J. Campion about the preliminary approval by the Court in the Northern District of California of a settlement of a class action lawsuit involving calls to cell phones.

On June 22, 2011, the Court preliminarily approved a class action settlement in the matter of *Patrick Grannan v. Alliant Law Group, PC*, Case No. CV 10-02803 HRL. The settlement resolves a lawsuit in which Plaintiff Patrick Grannan sued Alliant Law Group, PC (“Alliant”) for allegedly violating the Telephone Consumer Protection Act (TCPA) by calling people on their cellular telephones without their prior express consent, either with an automatic telephone dialing system or by a prerecorded voice message between June 25, 2006 and June 22, 2011 (the “Class Period”).

Without admitting liability, Alliant has agreed to settle Plaintiff’s Lawsuit by agreeing to pay the sum of \$1,000,000.00 (the “Common Fund”) for full settlement of all claims for the calls made by Alliant to the 137,981 unique cell phone numbers Alliant called in the Class Period, including all related costs and attorneys’ fees.

If you were the owner of one of the cell phones whose number is on the list of 137,981 cell phone numbers called by Alliant during the Class Period, you are member of the Class in this matter and may have the right to make a claim. Please go to [www.alliantTCPAlawsuit.com](http://www.alliantTCPAlawsuit.com) or call the claims administrator at 1-877-255-9840 for more details. If you are a Class Member, you may either file a claim, exclude yourself from the lawsuit, or object to the settlement.

This is only a summary of the terms of the proposed settlement. A Summary Notice has been mailed to Class Members. Also, please see the Long Form Notice, available on the “Case Documents” page of the website, [www.alliantTCPAlawsuit.com](http://www.alliantTCPAlawsuit.com), for more details regarding the lawsuit, class membership, and the legal rights and options available to you if you are a Class Member.

**TO: All 137,981 Persons in the United States that were called on their cellular phones by debt collector Alliant Law Group, PC (“Alliant”) at any time between June 25, 2006 and June 22, 2011:**

On June 22, 2011, the Court preliminarily approved a class action settlement in the matter of Patrick Grannan v. Alliant Law Group, PC, Case No. CV 10-02803 HRL. The Settlement resolves a lawsuit in which Plaintiff Patrick Grannan sued Alliant Law Group, PC (“Alliant”) for allegedly violating the Telephone Consumer Protection Act (TCPA) by calling people on their cellular telephones without their prior express consent, either with an automatic telephone dialing system or by a prerecorded voice message between June 25, 2006 and June 22, 2011 (the “Class Period”).

Without admitting liability, Alliant has agreed to settle Plaintiff’s Lawsuit by agreeing to pay the sum of \$1,000,000.00 (the “Common Fund”) for full settlement of all claims for the calls made by Alliant to the 137,981 unique cell phone numbers Alliant called in the Class Period, including all related costs and attorneys’ fees.

The Court will hold a hearing (the “Fairness Hearing”) to determine whether the proposed Settlement is fair, reasonable, and adequate. The Fairness Hearing is currently scheduled for November 1, 2011 at 10:00 a.m. at the U.S. District Court, Northern District of California, San Jose Division, 280 South 1st Street, San Jose, California, 95113 before the Honorable Howard R. Lloyd, U.S. Magistrate Judge, Courtroom 2.

If you were the owner of one of the cell phones whose number is on the list of 137,981 cell phone numbers called by Alliant during the Class Period, you are member of the Class in this matter and may have the right to make a claim. Please go to [www.alliantTCPAlawsuit.com](http://www.alliantTCPAlawsuit.com) or call the claims administrator at 1-877-255-9840 for more details.

Some Class Members may not know of or remember the call from Alliant. However, all 137,981 cell phone numbers that Alliant called during the Class Period are included in the Claims Administrator’s data, and you may call the Administrator at the number below to inquire if you are a member of the Class in this Settlement.

If you are a Class Member, you have the following legal rights and options:

1. File a claim for payment online, by phone or by mail by no later than September 16, 2011.
2. Object to or exclude yourself from the Settlement by no later than September 26, 2011.
3. Ask to speak in Court about the fairness of the Settlement by filing a Notice of Appearance by no later than September 26, 2011.

This is only a summary of the terms of the proposed settlement. A Summary Notice has been mailed to Class Members. Also, please see the Long Form Notice, available on the “Case Documents” page of the website, [www.alliantTCPAlawsuit.com](http://www.alliantTCPAlawsuit.com), for more details regarding the lawsuit, class membership, and full instructions for exercising each of the legal rights and options available to you as a Class Member.

What bothers me most is that when she first signed up for the site, I thought it was OK."

Sweet has an ad-blocker app on her browser. These movie ads are woven into the site content in such a way that her daughter sees — and responds to them — anyway, she says.

"We occasionally introduce limited-time promotions so that our Webkinz World members can enjoy fun, unique activities and events," says Susan McVeigh, a Ganz spokeswoman, in an e-mail.

But Elizabeth Sweet isn't the only parent who's unhappy with how and what Webkinz markets to kids.

Last month, Christina Cunningham, a full-time mother from Port St. Lucie, Fla., happened to look over as two of her daughters — ages 9 and 7 — were signing onto the Webkinz website. On the log-in screen, an ad flashed for BabyPictureMaker.com, which nudges consumers to download pictures of two people — promising to send back a picture of what a baby they might have together would look like.

"This is not acceptable," says Cunningham, who shooed her kids away from the site and fired

them into the matter and take the appropriate steps," spokeswoman McVeigh assured the group in a letter.

### The fast-food connection

Webkinz declined to share the outcome of this investigation with USA TODAY — nor would it explain how the ad got on the site. "We're fully committed to a responsible approach regarding advertising and the advertisers we allow on the site," says McVeigh, in an e-mail. "But in the eyes of some parents, no one goes more over the top in marketing to kids than the big food sellers — particularly sellers of high-sugar cereals and high-fat, high-calorie fast food.

That's one reason the Obama administration is proposing that foodmakers adopt voluntary limits on the way they market to kids.

These proposed voluntary guidelines, to be written by a team from four federal agencies, have set the food and ad industries howling — even before they've been completed.

"I can't imagine any mom in America who thinks stripping tigers and toucans off cereal boxes will do anything to address obesity," said Scott Faber, a

Because of the obesity, heart disease and food-related illnesses fed partly by savvy food marketers such as McDonald's, Altman says, "We have a generation of children that is first to have a life expectancy less than its parents."

Plenty of others think as Altman does, even though Ronald is regularly used to promote Ronald McDonald House Charities. Ronald also shows up in schools. He's got his own website, Ronald.com, where the clown promises that kids can "learn, play and create while having fun." And he's the focal point of a new social-media campaign that nudges kids to download their own photos with images of Ronald and share them with friends.

More than 1,000 doctors, including Altman, recently signed a petition that asked McDonald's to stop using Ronald to market to kids. "People have a right to sell and advertise," he says. "But where do we draw the line?"
